COVID-19

At the time of printing of this Notice, it is expected that the majority, if not all, of the UK Government COVID-19 restrictions will be lifted on 19 July 2021. However, the COVID-19 pandemic remains an evolving situation and we cannot guarantee at this time that physical attendance at the Annual General Meeting will be permitted by law and UK Government guidance. The board of directors of the Company (the "Board") continues to closely monitor developments in relation to the COVID-19 pandemic and the health and safety of our employees, shareholders and the Board remain paramount.

If it becomes necessary to restrict entry to the Annual General Meeting in line with the law or UK Government guidance, it is intended that the Annual General Meeting would be convened in accordance with the Company's Articles of Association and such law and/or guidance. Accordingly, the Company would make arrangements such that the legal requirements to hold the Annual General Meeting would be satisfied through the physical attendance of a minimum number of people required to form a quorum under the Company's Articles of Association and who are essential for the business of the Annual General Meeting to be conducted. These attendees would be officers or employees of the Company (or proxies acting on behalf of such officers or employees).

If we are able to welcome shareholders in person to the Annual General Meeting, shareholders are reminded that they should not attend if they or someone living in the same household feels unwell, has COVID-19 or has been in contact with anyone who has COVID-19. In addition, the Board may need to put in place arrangements to protect attendees from any risk to their health (including temperature checks and health screening questions) and may refuse entry to persons who do not comply with such arrangements. If attendance is permitted, it is likely that shareholders will only be allowed to enter the location of the AGM from 9.45am and will be asked to wait outside until then. Controlled-entry solutions to facilitate social distancing may be employed and could impact on waiting times. It is expected that no refreshments will be served (before, during or after the AGM) and that there will be no cloakroom facilities, and shareholders will be asked to bring any outerwear into the meeting room.

In light of the ongoing uncertainty, shareholders are encouraged to ensure they make their views known on the proposed resolutions by using their ability to vote by proxy. In order to ensure that their vote will be effective, shareholders should appoint the 'Chairman of the Meeting' as their proxy, rather than any other person who may not be able to attend. If shareholders are able to attend in person under UK Government law and/or guidance, the appointment of a proxy will not prohibit this.

While we hope and expect to be able to welcome shareholders in person at the Annual General Meeting, shareholders are still encouraged to submit any questions they may have for the Board by sending them by email to office@livermore-inv.com, so they are received by 10am on 20 August 2021. The Board will attempt to reply to any emails received as soon as reasonably practicable. Replies will either be made by return email or published on the investor relations section of our website <http://www.livermore-inv.com/News>, as deemed appropriate by the Board.

Given the evolving nature of the situation, should it subsequently become necessary or appropriate to revise the arrangements for the Annual General Meeting, further information will be made available on our website at <http://www.livermore-inv.com/News>, by RIS announcement and by any other means legally required at that time.

Notes

- (i) A member entitled to attend and vote at the Meeting convened by the above Notice is entitled to appoint one or more proxies to attend and, on a poll, to vote in his place. A proxy need not be a member of the Company. Completion of the Form of Proxy will not ordinarily prevent you from attending and voting in person. As noted above, due to the ongoing uncertainty caused by the COVID-19 pandemic, shareholders are encouraged to appoint the Chairman of the Meeting as their proxy to ensure their vote is counted.
- (ii) To appoint a proxy you should complete the Form of Proxy enclosed with this Notice of Annual General Meeting. To be valid, the Form of Proxy, together with the power of attorney or other authority (if any) under which it is signed or a notarially certified or office copy of the same, must be delivered to the offices of Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL by no later than 48 hours (not including weekends or bank holidays) before the time fixed for the Meeting or any adjourned meeting.
- (iii) In the case of joint holders, the vote of the senior holder who tenders a vote whether in person or by proxy shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the register of members of the Company in respect of the relevant joint holding.
- (iv) In the case of holders of depositary interests representing ordinary shares in the Company, a Form of Direction must be completed in order to appoint Link Market Services Trustees Limited, the Depositary, to vote on the holder's behalf at the Meeting or, if the Meeting is adjourned, at the adjourned meeting. To be effective, a completed and signed Form of Direction (and any power of attorney or other authority under which it is signed) must be delivered to the Company's Transfer Agent, Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds LS1 4DL by no later than 72 hours (not including weekends or bank holidays) before the time fixed for the Meeting or any adjourned meeting.

Completion of the Form of Direction will not prevent you from attending and voting in person. Depositary Interest holders wishing to attend the Meeting should contact the Depositary on the above address or email nominee.enquiries@linkgroup.co.uk to request a Letter of Corporate Representation.

- (v) Resolution 7 – Authority to allot shares – Resolution 7 asks shareholders to grant the Directors authority to allot shares in the Company of up to 109,283,614 ordinary shares of no par value of the Company ("ordinary shares"), which is approximately two thirds of the Company's issued ordinary share capital as at the date of this Notice, and provided that no more than 54,641,807 of such new ordinary shares (which is approximately one third of the Company's issued ordinary share capital as at the date of this Notice) shall be issued otherwise than by way of a fully pre-emptive rights issue

The authorities sought under this Resolution will expire at the end of the Annual General Meeting of the Company in 2022 or, if earlier, 15 months from the date of the passing of this Resolution. The Directors have no present intention of exercising either of the authorities under this Resolution, but the Board wishes to ensure that the Company has maximum flexibility in managing the financial resources of the Company.

The Company holds 10,888,577 treasury shares, representing 6.64 per cent. of the total ordinary share capital in issue at the date of this Notice.

- (vi) Resolutions 8 and 9 – Disapplication of pre-emption rights – If the Directors wish to allot any equity securities for cash, the Articles of Association of the Company require that such equity securities are offered first to existing shareholders in proportion to their existing holdings. The Directors intend to adhere to the provisions in the Pre-Emption

Group's Statement of Principles, as updated in March 2015 and therefore Resolution 8 asks shareholders to grant the Directors authority to allot shares for cash on a non-pre-emptive basis pursuant to the authority in Resolution 7, and the Directors confirm that such allotment shall not be:

- a) in excess of an amount equal to 5% of the total issued ordinary share capital of the Company (excluding any treasury shares) as at the date of this Notice; or
- b) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company (excluding treasury shares) within a rolling three-year period, without prior consultation with shareholders,

in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Resolution 8 also asks shareholders to disapply the pre-emption provisions in connection with a rights issue and allows the Directors, in the case of a rights issue, to make appropriate arrangements in relation to fractional entitlements or other legal or practical problems that might arise.

Resolution 9 would give the Directors authority to allot a further 5 per cent. of the issued ordinary share capital of the Company as at the date of this Notice for the purposes of financing a transaction which the Directors determine to be an acquisition or other capital investment contemplated by the Pre-Emption Group's Statement of Principles, as updated in March 2015.

- (vii) Resolution 10 – Purchase of own shares – Resolution 10 asks shareholders to approve the purchase by the Company of its own ordinary shares in the market. The authority limits the number of shares that could be purchased to a maximum of 16,392,542 ordinary shares (equivalent to 10 per cent. of the Company's issued ordinary share capital as at the date of this Notice) and sets a minimum and maximum price. The authority will expire at the conclusion of the Annual General Meeting of the Company next following the Meeting at which this Resolution is passed.

The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The Directors will exercise this authority only when to do so would be in the best interests of the Company and of its shareholders generally, and could be expected to result in an increase in earnings per share of the Company. Any purchases of ordinary shares would be by means of market purchase through the London Stock Exchange.
